Comments:

Charlie what can I say hunny? I know you are doing your best and that is all we can ask of you. My hope for you is that you just keep showing up for class for the rest of the year. The biggest challenge here is your lack of communication with us. You don't respond to calls or emails from the teaching staff and that leaves us very little to work with. And it's hard for us to help you if we don't know what is going on.

I think you will find that that we CAN help you, and that we are here to support you in anyway that we can, but we need you to keep those lines of communication open.

I think at this point, you can make it through this year and into next year if you really want to. But this is what I need from you.

1. To attend the 5th and 6th chakra weekends
2. To stay in communication with the staff no matter what
3. To get SOME kind of homework in for the weekends that you attended.
4. To do 4 healing write ups and submit them to me. Hand written is ok
5. To have a plan to pay for school next year and make sure your childcare is covered.

I am prepared to give you some extra time to do this if you make a good faith effort to accomplish it.
